

A portrait of an older man with thinning hair, wearing a grey suit jacket, a light blue shirt, and a dark tie with a small white pattern. He is standing in front of a bookshelf filled with books. The lighting is warm and focused on him.

2026 IEEE Computer Society/
Software Engineering Institute
Watts S. Humphrey Software Quality Award

NOMINATIONS NOW OPEN

Since 1994, the SEI and the Institute of Electrical and Electronics Engineers (IEEE) Computer Society have cosponsored the award, which recognizes outstanding achievements in improving an organization's ability to create and evolve high-quality software-dependent systems.

The Humphrey Award nominee's productivity improvement must, to an exceptional degree, be **significant, measured, sustained, and shared**.
